2015 WINNER!

3.18.2015. McCloskey Partners, LLC, voted Best Places to Work 2015 in the category of **Staffing Agencies**, by Courier Times/Intelligencer and Burlington County Times. McCloskey Partners is a full-service Recruiting & Human Resources Firm in Bucks County.

“We are extremely honored to be recognized as one of the **Best Places To Work** in the **category of Staffing Agencies**. After hearing about the award, one of our employees shared what they had submitted on behalf of McCloskey Partners (a copy of which is included below). I feel honored that someone on our team feels this way and excited about what is on the horizon for us in 2015 and beyond. This award is for our employees who show up and give 150% every day and for our clients that continue to trust in us to find the right talent so they can continue to grow and succeed.”

- Heather McCloskey, CEO & Founder.

Below is a quote submitted by a McCloskey Partners employee:

“I can spend 200 words on what makes us an exceptional staffing company... but what really makes our “recruiting process unique” is that McCloskey Partners is a great place to work BECAUSE of how it treats its OWN employees. Often the most important thing to companies today is the bottom line: work – productivity – profits! McCloskey Partners is different. We are encouraged to expand our knowledge and think outside the box, given flexible work schedules to allow the quality of the work to be paramount regardless if it’s done at home while watching my sick child, at 11pm when I’m most productive or from a table in Starbucks. McP affords all of us a fabulous quality of life and a great job, all the while showing genuine respect for its internal talent. “
